

We value our therapy dogs and volunteers for their time and commitment in making a difference to others in our community

Therapy dog visits to  
Healthcare, Education & Workplaces

Therapy dogs are pets with the special ability to share their love and affection with others

It is important that the dog can choose whether to engage or not: show consent

**Guidance for meeting a Cariad Pet Therapy Dog**

Please take direction from the volunteer as they will monitor their dog's welfare

Before you approach the dog, please ask the volunteer if it's ok to say hello

Take some time to relax with us!

Enjoy the visit!

Please allow the dog to choose to engage with you; to show their consent

Please respect the dog's need to take a break, or if they need to check out early

ALLERGIES OR PHOBIAS? ON THE FLOOR AT ALL TIMES NO TREATS OR FOOD NO CROWDING THE DOG NO EXCITED BEHAVIOUR NO EXTRA VISIT TIME

**We care about dogs and people.**
