

## NATURAL ENGAGER

A dog whose nature and breed is people focused and shows a natural willingness to engage

## SHOWS CONSENT

A dog who moves forward of its own volition to engage, with the freedoms to disengage when it chooses to

## GETS BENEFIT

A dog who enjoys meeting new people just as much as those it meets - mutual benefit & reciprocity

## SOCIAL BUTTERFLY

A dog who enjoys meeting new people outside of their family circle in new surroundings

# WHAT WE LOOK FOR IN A CARIAD PET THERAPY DOG

[www.cariadpettherapy.co.uk](http://www.cariadpettherapy.co.uk)

## NOT TREAT FOCUSED

A dog that does not look for treats or food rewards during engagements, and does not rely on treats from owners who act as treat dispensers!

## HAS GOOD ETIQUETTE

A dog who shows good social manners with 'paws on the floor' and consideration to those it meets

## IS FIT & HEALTHY

A dog who is within the normal weight range for its breed, is fit and healthy and over 18 months old

## NOT OVER-TRAINED

A dog that is not over reliant on human command to carry out the natural engagements required
